Transitioning to Trustee Boards
Why we're transforming volunteering

**We want to make volunteering with
Scouts easier and more fun...**

**...so that we can attract more volunteers
and our current volunteers want to stay**

6

3

We need to adapt to stay relevant, attract new volunteers, and make sure the scouts is enjoyable for everyone.

7

Positive Volunteering Everyday

Scouts 

From	To
Unclear expectations of volunteers	Clearer roles
Individual, inflexible fixed roles	Volunteers working in teams on tasks
A small number of people with lots of responsibility (and stress)	Teams have a clear and distinct purpose
Feels like work	Individuals contributing in a way that matches their skills, interests and availability
The perception of fix commitment	Flexible volunteering the norm

8

Positive Volunteering Everyday

I receive regular support in a way that is safe, open, and honest. I feel respected and seen

The way we volunteer is changing!

Our volunteering roles need

**Clear, manageable,
and flexible!**

11

12

6

Teams

13

Moving to a team based approach

The key principles for these new teams:

Provide clear purpose & responsibilities to ensure our volunteers and young people have the required support

Allow for flexible volunteering that suits people's skills, interests, and time

Have tasks that will be shared among a team

Be led by a Team Leader or Lead Volunteer

14

7

What leading a team means

Team Leaders and Lead Volunteers work with Team Members to share tasks out and make sure the team runs smoothly.

and...

- Create a positive team environment
- Help volunteers find what they need
- Attract and welcome new volunteers
- Reflect and review

Scouts 

15

Focusing on tasks rather than roles

Making flexible volunteering normal, and available to everyone

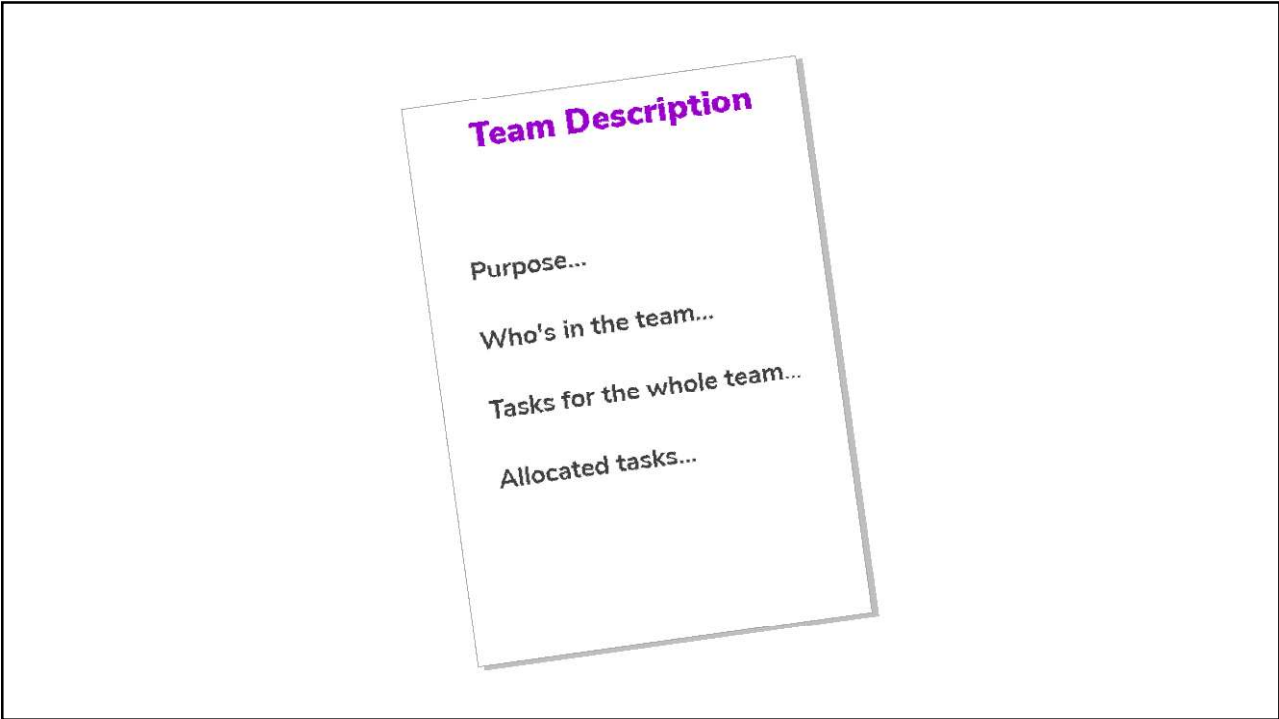

Ensuring we allow individuals to contribute in a way that matches their skills, interests and availability

Making sure each team has a clear and distinct purpose

8

16

Each team has a team description. A team description has two types of tasks listed:

- **Tasks for the whole team** – All team members take part in these tasks and must have, or develop, the skills associated with these tasks
- **Allocated tasks** – The team leader ensures that one or more team members has the responsibility and skills for these tasks

19

Who is affected...

All volunteers will...

- move into updated teams
For some, volunteering in a team may be a big change and for others, it may be closer to what they're doing already
- For most volunteers, their role title will also change

10

20

Who is affected...

For some volunteers in District and County teams there may be a bigger change in what their role does, due to other changes that are coming too, such as those who are involved in training and appointments and welcome

21

What will stay the same...

Sections
Groups
Districts
Counties

as well as broadly the tasks that happen at each level.

22

11

There are three areas of our volunteering framework that will change before the launch of our new digital tools...

23

Team-based Approach

Moving from our current structures and roles to a team-based approach to volunteering

This will provide our volunteers more flexibility, make sure responsibilities are clear and allow for tasks to be shared across a team rather than just for a specific role

Trustee Boards

Moving from having Executive Committees to having Trustee Boards & Trustees

This will meet the Charity Commissions rules on good practice and allow Trustees to focus on being well managed and having good governance

Our Volunteering Culture

We will be adopting and embedding Our Volunteering Culture into our teams

This is about how our volunteers support each other, follow our values and are at our best whilst acting as role models for young people

12

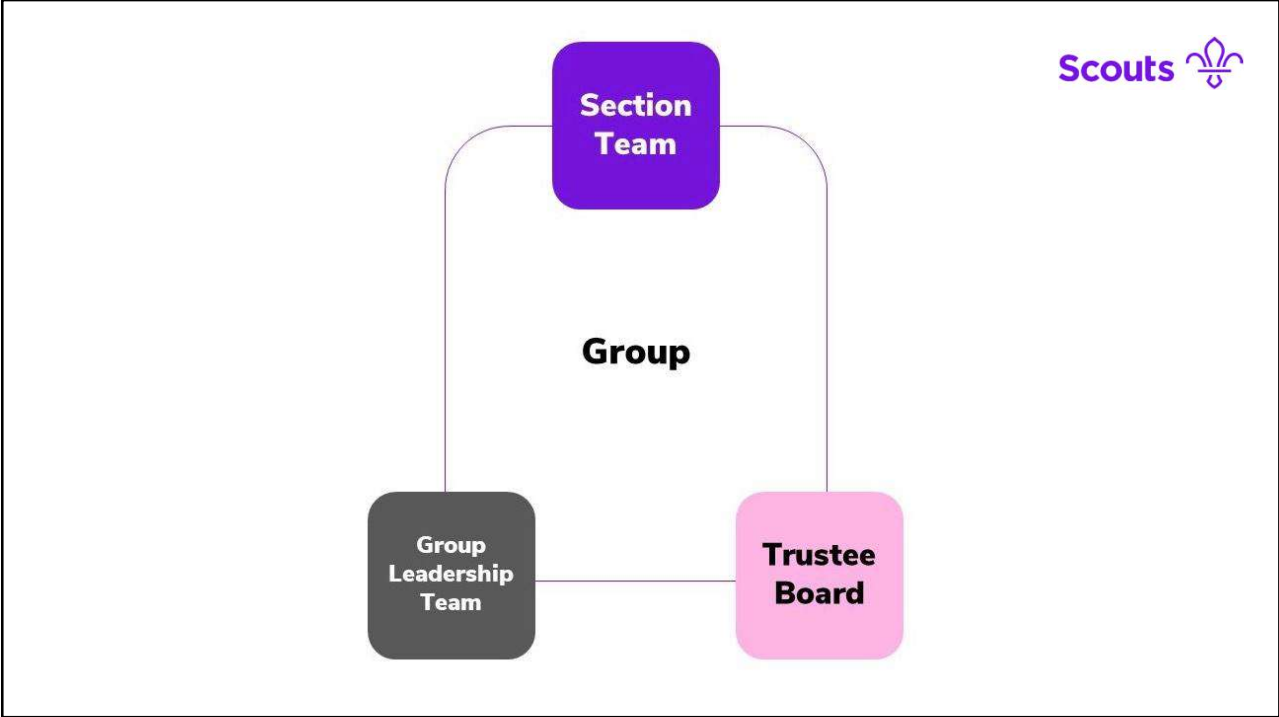

24

Moving to a team-based approach

Scouts 

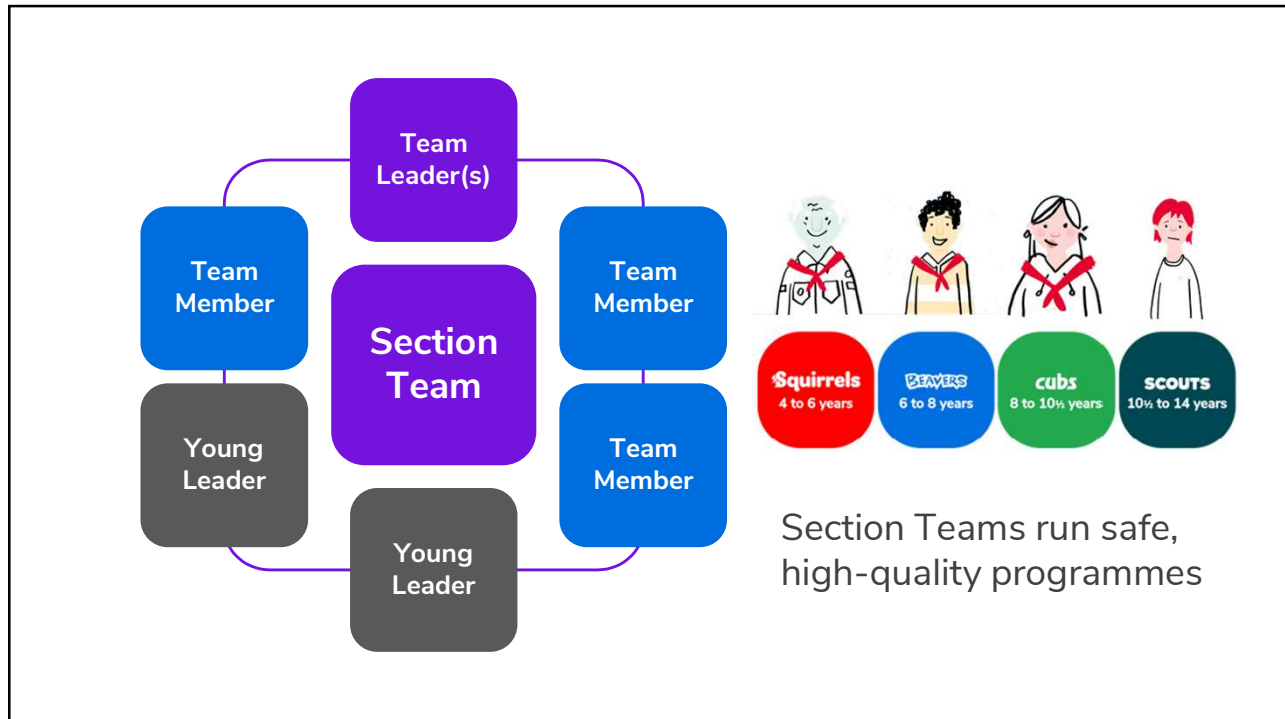

Scout Groups

27

28

29

Section Team

The Section Team consists of a team for each section in the group: Squirrels, Beavers, Cubs & Scouts.

The Section Team plans, delivers, and runs high-quality programmes safely. They make sure all young people can take part in the programme and gain skills for life. They also help young people work towards their Top Awards.

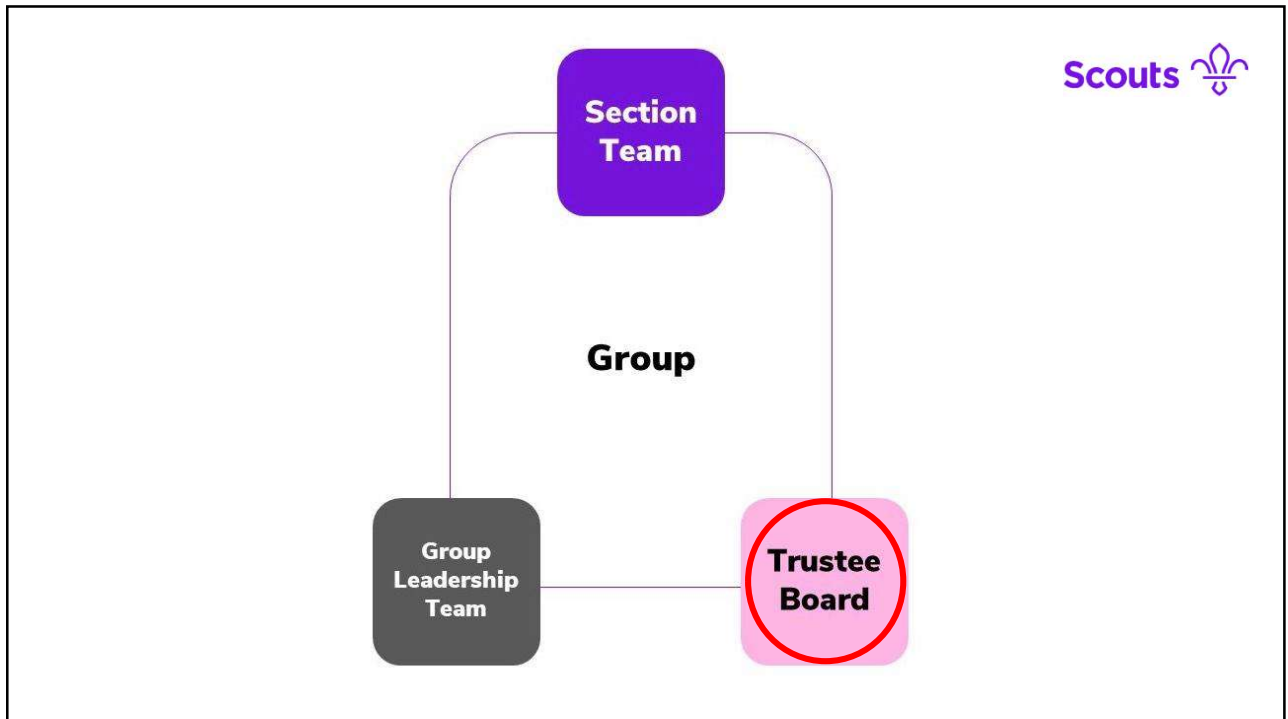

With a brilliant programme, each young person can make a positive impact in society as they step up, speak up, and find their place in the world.

30

15

31

32

Group Trustee Board

The Trustee Board work together to make sure Scouts is run safely and legally.

Trustees make sure the charity is well managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and Policy, Organisation and Rules (POR).

Their support helps other volunteers run a fantastic programme that gives young people skills for life (and experiences they'll remember forever).

33

34

17

35

What will this look like in practice?

Some areas will be for trustees **to be confident** that they are being done.

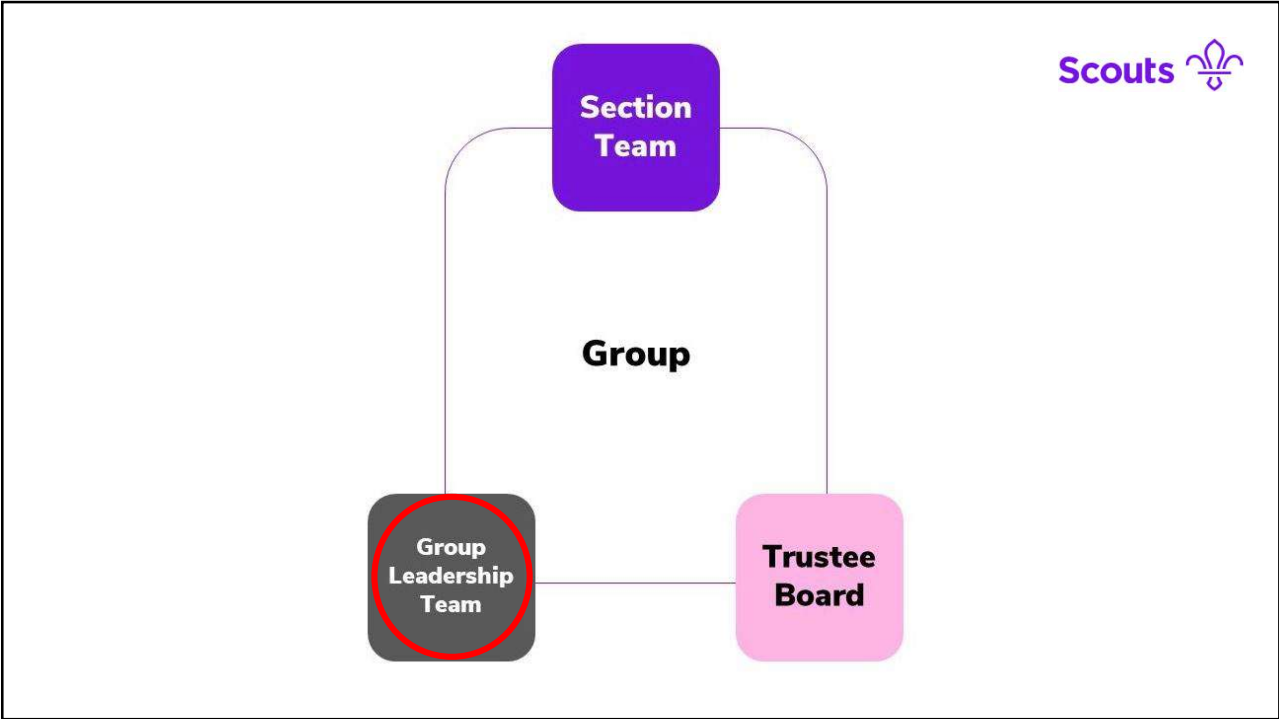

This is different from doing it themselves!

These are the **operational tasks.**

Some areas will be for trustees **themselves** to **collectively** do.

These are the **governance tasks.**

36

37

Instead of Group Scout Leaders, Lead Volunteers will lead the Group Leadership Team

This makes it easier for tasks to be shared amongst a wider group of people, rather than it all resting with the Group Scout Leader role.

38

39

Group Leadership team

The Group Leadership Team helps volunteers across all Sections to work well together and feel motivated. They make sure the Group is respected and supported in their local community.

40

Tasks for the whole team

Support the Group's Sections and make sure:

- The views and ideas of young people shape decisions in the Group and its Sections
- Section Teams help young people feel welcome and included, and make changes (when necessary) so activities are accessible for everyone
- The demographics of young people and adults represent their local area

41

Tasks for the whole team...

Develop our volunteers

- Work with volunteers to share skills between Sections
- Make sure volunteers in the Group's teams fulfil their safety and safeguarding responsibilities, including keeping up-to-date with changes

21

42

Allocated tasks

Support the Group's Sections

- Make sure the Group Leadership Team runs smoothly
- Work with the District 14-24 Team to make sure there are Young Leaders in all the Group's Section Teams.
- Help Section Teams work well, using tools to measure quality where needed.

43

Allocated tasks

Develop our volunteers

- Champion [Our Volunteering Culture](#), so Team Members are aware of it, reflect on it, commit to it, and apply it
- Support all volunteers to grow and gain the skills they need (or would like)
- Make sure all teams in the Group follow our approach to safe volunteer recruitment, appointment, reviews, and processes for leaving Scouts
- Make sure volunteers are doing what's expected of them, including getting learning done and having disclosure checks

22

44

Allocated tasks

Engage with the community

- Create and look after relationships outside Scouts to help deliver the programme and recruit adults and young people.

45

Allocated tasks

Open new provision

- Work with the District Team (and the Development Service), to open new sections

46

23

Allocated tasks

Manage incidents

- Make sure all incidents are reported in the right way
- Handle Subject Access Requests and personal data breaches
- Look after complaints informally (as described in the Complaints Policy) to stop them escalating (where possible)
- Work with other volunteers to respond to safety, safeguarding, and data incidents, and complaints (where needed).

47

Allocated tasks

Support effective processes

Oversee:

- The payment of invoices and volunteer expenses
- Enquiries from new volunteers and new members, waiting lists, and the movement of young people between Sections.
- Equipment owned by the Group.
- Meeting places (whether they're rented, leased, or owned).

48

24

Allocated tasks

Support effective processes

Oversee:

- Supplies of uniform, including badges and clothing
- First aid kits and accident forms for all Sections and meeting places
- Membership system records for volunteers and young people, making sure they're correct and up to date

49

Allocated tasks

Support effective processes

Oversee:

- Group social media platforms
- Group website and emails
- If there are staff in the Group, make sure they're properly managed and recognised

50

25

‘Governance’ tasks are managed by the **Trustee Board**

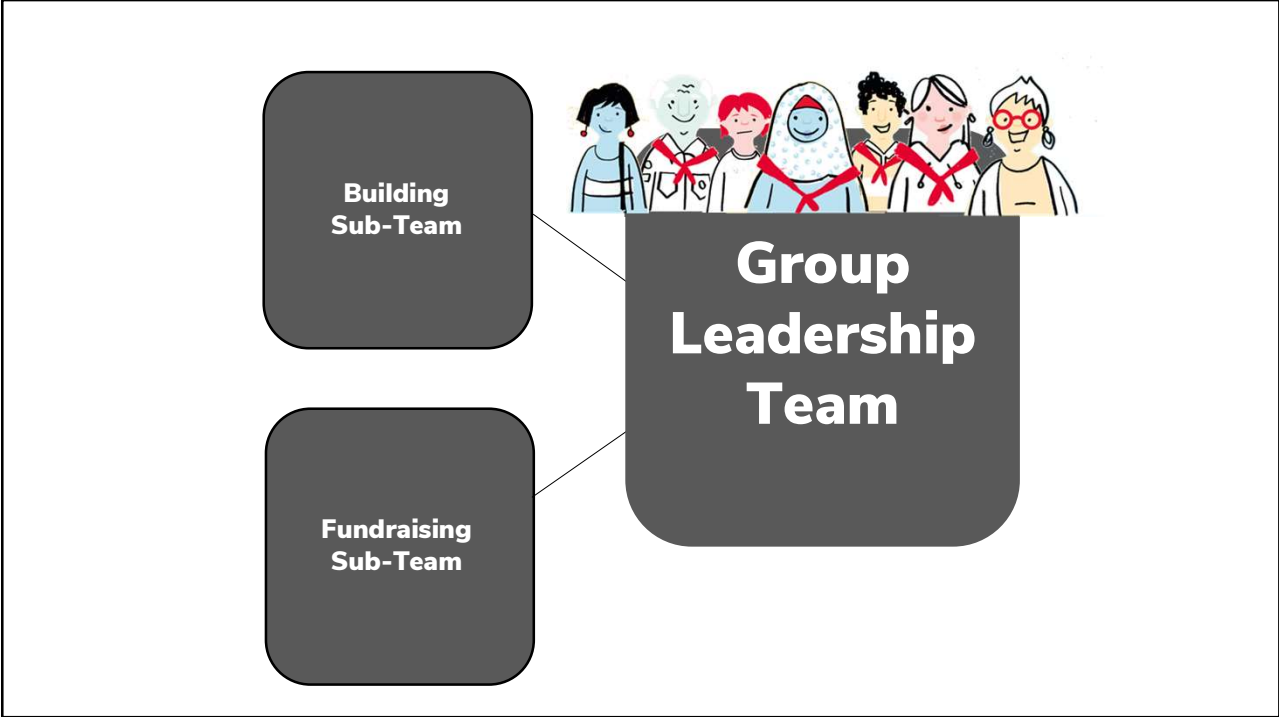

‘Operational’ tasks are managed through the **Group Leadership Team**

(The Support Team in Districts and Counties)

Operational tasks

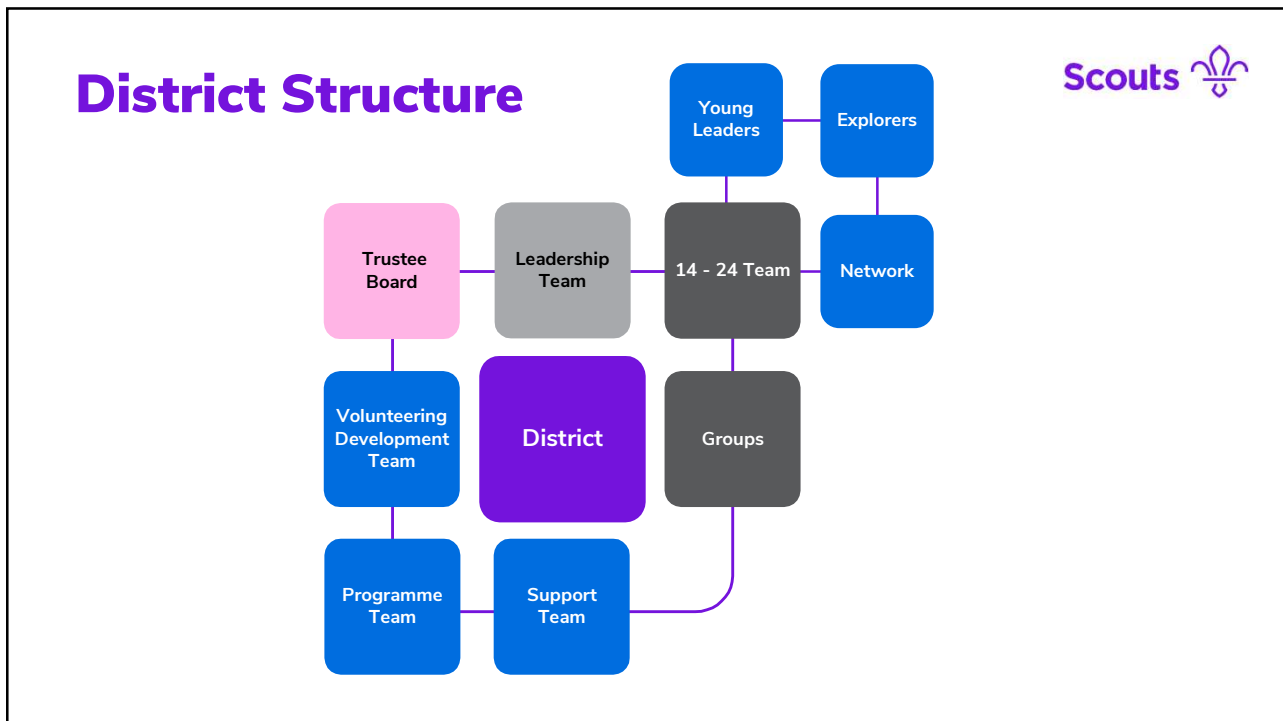

These operational tasks can be carried out by people who are also trustees, however, they will be managed as a member of the relevant team rather than in their trustee role.

Why we volunteer

As volunteers in Scouts, we're proud to help young people step up, speak up, dream big and gain the skills they need for life.

Thanks to you, young people find their place in the world, learn to believe in themselves and make a difference to their communities and society. No matter your background or experience, where you're based, or which team you're in, your time and skills help young people gain skills for life.

By working together, and being our values of integrity, respect, care, belief and cooperation, our aim is to have a positive, safe and rewarding experience as volunteers for a movement we truly believe in.

Our Culture is founded on our Values. That means that as volunteers we think and carefully about the impact of our words and actions, and behave as role models for our young people. Here are the behaviours that we expect from each other in Scouts.

As UK Scouts we'll:

- f. Listen to you and give you the space to share ideas and concerns so that we can improve our volunteer experience
- g. Offer meaningful, relevant, and flexible ways to volunteer, with clear guidance of what we'll require from you, and who you can ask for advice and support
- h. Accept your other commitments, that your availability may change and offer you volunteering options that'll suit you best
- i. Help you understand Scouts better and the impact we make, so you can see how your contribution makes a difference
- j. Do our best to overcome barriers to volunteering such as finance, accessibility and time

This planning tool will help you move your group from our current structure to our new team structure.

In each Scout Group, there are three types of teams:

- The Section Teams run high-quality programmes safely
- The Group Leadership Team helps all volunteers in the Group (including Young Leaders) work together to plan and run high-quality programmes
- The Group Trustee Board provides charity governance for the Group

Some Groups might find it helpful to use sub-teams, such as a maintenance or fundraising sub-team of the Leadership Team.

As you will imagine, there is a lot of data stored on Compass covering personal details, emergency contacts, appointment records and completed and required training. All of this will need to be reviewed, checked, and amended so that the data uploaded to the new system, later in 2023, is as clean and accurate as possible.

Whilst some of this can and will be done centrally at HQ, and County level, much of the personal data is just that, personal. This means that the only person to provide information and confirm held data is the person themselves. At some point therefore, over the coming weeks, your line manager; GSL, DC etc will be in touch to ensure that all your Compass records are correct and any gaps such as missing e-mail addresses, emergency contacts etc are populated. Please help the process as much as you can in responding to any requests and update data.

It is also important that we maintain this cleaned up Compass over the coming months so, please if you change e-mail address, or mobile number, ensure that you update your own Compass record. Similarly at Group and District Levels, when adding, amending, or deleting appointments, do please complete all the required [Click here to download our guidance sheet to help you with tidying things up on Compass for the members of your group.](#)

Scouts
South London

Three: defined aims

1. Work smarter
2. Function better
3. Be better

It's important that scouts is a great place to volunteer, where every volunteer matters, and every volunteer has fun. We want to live this in how we treat each other and take part in our roles. This will encourage new people to join us and for those already involved to

Take a look at the changes in detail...

Change 1: A warmer welcome for everyone

We're going to make a better first impression for new or returning volunteers. It'll be clear where to sign up, what to expect, and what stage they are at. They will also be in control of moving this forward as much as possible.

Change 2: A more engaging learning experience

We know learning needs to be flexible, accessible, and easy to deliver and record. We also know people learn best through a combination of online and in-person learning, so our approach will be digital first but will include workshops and 'on the job' stuff (these will offer networking opportunities too).

Change 3: Simplifying our roles and structures

We know that asking people to become leaders (or other specific roles) doesn't suit everyone. People need to be able to volunteer in whichever way they can and want to do, focusing on the areas they have skills or interest in – and without having to take on the world.

Change 4: Useful digital tools

More support to help you get everyday things done

Our 4-step process to help you roll out changes locally

Change management is a process that supports people to embrace change. It takes them from where they are now to where they need to be in the future.
