The South London Scout Centre

# The Fort - Home Camp Challenge

The South London Scout Centre - known as The Fort, is the home of South London Scouts. As scouts we love to go camping, but as we can not go camping together at the moment so we have an exciting camping challenge for you to complete at home.

There is something genuinely magical about spending a night under the stars, listening to the sounds of nature as you cosy up in your sleeping bag. We have designed a camp programme for you to take part in, which you can complete inside or outside.

**BEAVERS**  
**cubs**  
**SCOUTS**  
**EXPLORERS**  
**network**

The best way to take part is to speak to a few of your scout friends and arrange with them to complete the programme at the same time. If you successfully complete our camp programme you will be awarded our special 'The Fort - Home Camp Challenge activity badge.'
