# Cream Cheese Snowman

## You will need ...

- 200g white breadcrumbs
- 200g chopped nuts or crushed digestive biscuits
- 500g cream cheese
- salt
- desiccated coconut
- black peppercorns
- carrot
- cocktail stick
- pretzel sticks
- your imagination!

Here is how to make one...

- Mix breadcrumbs nuts cream cheese and a picture salt together
  - Divide the mixture into 2, one portion twice the size of the other
  - Roll each portion into a ball
  - Coat each of the balls in desiccated coconut
  - Refrigerator for a couple of hours!
  - Use slices of carrot to make a hat
  - push a cocktail stick through the carrot then through the snowman's head and body
  - Make the eyes, mouth, and buttons from black peppercorns
  - Use the very tip of the carrot for the nose
  - Use pretzel sticks for arms
- 
- Can you think of a food item you can make a scarf out of?
