

What is World Scout Jamboree?

The World Scout Jamboree is the largest scouting event organised by the Scout Movement, gathering up to 50,000 people from all over the world. It is above all an educational event to promote peace and understanding. The World Scout Jamboree includes a wide variety of activities and also places great importance on the everyday life and interaction on the campsite.

Key Jamboree Dates

August 1 - 12, 2023

For participants and contingents, the 25th World Scout Jamboree begins with arrivals on Tuesday, August 1 and ends with departures on Saturday, August 12, 2023.

The first meal for participants will be served on the evening of 1 August, and the last meal will be served on the morning of 12 August.

Eligibility

To be an eligible youth participant at the 25th World Scout Jamboree, you must have been born between 22 July 2005 and 31 July 2009. If you are older on the given date, you may be able to apply to become a member of the International Service Team, Contingent Management Team or a unit leader. The exact age eligibility has been approved by the World Scout Committee.

Scouting for Life

Many of the programme features will engage young people in developing leadership and life skills through Scouting activities, and will challenge participants to learn about global issues and becoming active citizens. These programme elements will incorporate Scouting's values and methods, as well as ideas around global citizenship education and education for sustainable development.

Smart & Scientific

The Jamboree programme will use the latest technology to enable participants and contingents to connect, stay up-to-date with information, and take part in variety of activities through the official jamboree app. Participants will be able to experience the future through everything from robot technology to virtual reality. A specific stream of the programme will focus on STEAM skills, offering young people the chance to join in activities and learn about the fields of science, technology, engineering, the arts and mathematics.

Safe & Secure

The Jamboree programme will be designed to prevent and respond to communicable diseases, natural disasters, and other emergencies, while providing safety education programmes developed by Korea Scout Association. The "Disaster Safety Programme" will not only improve the safety response ability of participants, but will also help them grow into citizens who can act as responders in the case of emergencies.

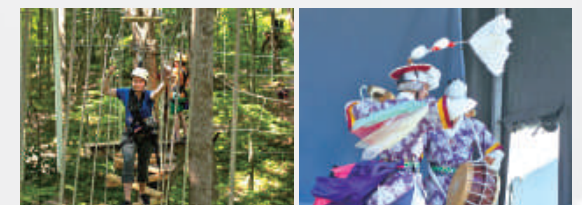

Sustainability

Together with global, regional and national partners, the Jamboree programme will be comprised of activities that engage young people in learning about the Sustainable Development Goals and taking action for peace and sustainable development in their communities. Through the Better World Tent and Global Development Village, Scouts will learn how to connect with nature, create a culture of peace and dialogue, promote diversity and inclusion, and more.

ACT : Adventure, Culture, Tradition

The Jamboree programme will offer various adventure activities that use the environment around SaeManGeum, including the mountains, rivers and seas to enable Scouts to connect with and discover nature. The event will also engage participants in cross-cultural exchange to experience the best of Korean culture and tradition from K-pop music to Bibimbap food to the Hangul alphabet, and much more.
